- 🌿 HESS LOOP TRAIL OBSERVATION PLATFORM

Tips for a safe and fun day outside

- Wear sunscreen with an SPF of 15 or higher — and remember to reapply it throughout the day.
- Wear a hat outdoors, as well as a good pair of sunglasses to protect your eyes.
- Stay hydrated by drinking plenty of water, especially if you're in the sun or sweating heavily.
- If you feel faint or nauseated, get to a cool place immediately.

Long live outdoor adventures.
